Dive/Snorkel Gear Hire

Order Form

Now that you have received your Rowley Shoals Packing Hints, let's organise your equipment for your dive / snorkel adventure.

To help make your holiday as trouble free as possible, we are happy to provide the complimentary service of ordering your dive gear on your behalf, and have it delivered to your vessel prior to your arrival.

We are happy to offer you 10% discount on your hire when ordered through our Broome office; prices charged are on the form overleaf are correct for the 2010 season.

Please complete the enclosed order form and **fax it back to our Broome office when making your final cruise payment, 60 days prior to departure.** As we are liaising with a regional dive shop, please keep in mind that we need at least 4 weeks notice so that any gear can be put aside for you.

If you wish to discuss your requirements please feel free to call us or the dive shop:

Workline Dive & Tackle
Phone: 08 9192 2233

If you prefer, you may bring your own gear. If you do choose to organise your own equipment, please let us know.

There is limited spare dive equipment on board MV Great Escape, therefore we strongly advise that you arrange to bring all your own equipment, so as to avoid any disappointment - the Rowley Shoals are a long way from anywhere!!
