

The Great Escape Charter Company

Alcohol Order - Broome

As The Great Escape Charter Company's cruise vessels are NOT licensed to sell alcohol; you are at liberty to carry onboard whatever alcohol you would like to drink on your holiday.

To help make your holiday as trouble free as possible, we are happy to provide the complimentary service of purchasing alcohol on your behalf (we will invoice you from the bottle shop receipt) and have it delivered to your vessel prior to your arrival. Please complete the enclosed order form and **fax it back to our Broome office when making your final cruise payment, 60 days prior to departure.** If you prefer, you may BYO (bring your own) alcohol, or have your requirements delivered to our Broome office in advance, if leaving from Broome.

As we are liaising with regional bottle shops, please keep in mind that we need at least 4 weeks notice so that any items can be ordered if not already in-stock locally.

We recommend that you purchase a little more alcohol than you might normally drink. A good rule of thumb is 1 bottle of wine and/or 4 beers per person / per day is a good starting point. Any leftovers can be taken with you or left for the crew. Unfortunately we are NOT able to offer a return service.

Unfortunately, we are not able to provide you with a list of alcohol to choose from but you may wish to contact the stores direct. This will give you the opportunity to enquire as to the wines/beers/spirits in stock, current prices and specials. Below are the contact details for the stores we find the most helpful in Broome. Although you are welcome to contact and purchase from any local store you choose.
